Our pole rental fee is \$75 per pole per season (indoor, outdoor, summer & fall). Poles may be swapped at any time free of charge

You are responsible for the pick up and return of the poles. We DO NOT ship rental poles.

You are responsible for the care and maintenance of the poles while they are in your possession. If for any reason a pole is damaged, spiked, scratched, chipped, broken, lost, rendered unusable, deemed unsafe etc. while in your care, you are responsible for replacing that pole. If a pole is damaged immediately report it to us at poles@patriotpv.com

- ▶ Make sure that you and your athletes know how to properly care for the poles.
- ▶ The poles will be used for the purpose of pole vaulting and not for any other purpose.
- ▶ You must store the poles in a pole bag, cardboard tube or PVC pipe for protection **ESPECIALLY** when transporting the poles to a meet on a bus. Poles are not to be stored outside or on any kind of floor.
- ▶ During practices and meets poles are NEVER to be laid flat on the ground - they are to be propped up off the ground at all times to avoid being accidentally stepped on and to avoid any other damage.
- ▶ Athletes must have their poles caught after they jump so they do not strike the ground or any hard surfaces.
- ▶ Do NOT tape over or remove the manufacturer's weight label or any Patriot Pole Vault Club ID labels.
- ▶ Do NOT tape on or over any ESSX pole wrapping.
- ▶ Do NOT hold the poles above the manufacturer's weight label - this includes collegians!
- ▶ The club reserves the right to take back poles that are being mistreated in anyway. If this occurs you will NOT be refunded and your rental privileges will be revoked.

Poles MUST be returned no later than the listed date of return above or on an agreed upon date with the Patriot Pole Vault Club.

2024 Return Dates: Indoors - Sunday March 10th Outdoors - Sunday June 16th

- ▶ Unfortunately due to rampant late pole returns there is no grace period for failure to return poles on the agreed dates and we have had to initiate a late return fee. If the poles are not returned by the agreed upon date a late fee of \$100 will be imposed. If the poles are not returned within 1 month of the agreed upon return date you will be billed for the full replacement cost of the poles.
- ▶ Before returning the poles **completely remove any hand grip tape or any other sticky residue**
- ▶ All poles are supplied with a tip and an end cap. If any poles are returned without a tip there will be a \$25 surcharge per tip. If any poles are returned without an end cap there will be a \$5 surcharge per cap.
